An Appleschool

CULTIVATE, INNOVATE, ELEVATE

Welcome

It is with great pleasure and pride that I welcome you to Lusundvu Agricultural Academy, a forward-looking institution where tradition meets innovation. As a specialized Agriculture High School, we are deeply rooted in the values of sustainability, hard work, and practical learning. At the same time, we embrace the future by integrating Information and Communication Technology (ICT) and Business Studies into our curriculum—empowering our students with the tools they need to thrive in a rapidly changing world.

In today's interconnected global economy, agriculture is no longer just about farming—it is a dynamic industry driven by data, innovation, and entrepreneurship. Our unique blend of agricultural education, digital literacy, and business acumen prepares our learners to become not just job seekers, but creators of opportunity—equipped to lead in agribusiness, tech-driven farming, and beyond.

At Lusundvu, we nurture not only academic excellence but also personal growth, leadership, and a deep respect for the land and community. Our experienced staff, modern facilities, and supportive environment ensure that every student receives a holistic education tailored for the 21st century.

We invite you to become part of a learning journey that cultivates minds, inspires innovation, and sows the seeds for a brighter, more sustainable future.

Warm regards,

Donna Marucchi
Principal,
Lusundvu Agricultural Academy

Our Core Values

Student development

We prioritise the holistic growth of students, encompassing not just academic achievement but also their emotional, social and moral well-being. We implement this by instilling culture of empathy, integrity and responsibility.

Excellence

We encourage students and staff to strive for their highest potential in all areas, encompassing not just academics but also personal growth, character development and community contribution. We promote consistent effort, improvement and integrity, cultivating a culture of high standards.

Integrity

We emphasize honesty, fairness, responsibility, respect and courage in academic and personal behaviour, promoting a culture of ethical conduct, trust and accountability among students and staff.

Innovation

We foster creativity, critical thinking and new approaches to teaching and learning that result in better student engagement and outcomes. We promote novel ideas and provides support for implementation and embracing new technology.

Inclusiveness

We instil a culture of being a welcoming environment where every student, regardless of background, ability or identity, feels valued, respected and safe to learn and thrive.

Independence

We encourage students to become self-reliant, self-directed learners by fostering decision-making, problem-solving and personal responsibility.

Vision

To be a leading IEB Agricultural High School, offering premier educational experience through hands-on learning. We aim to provide innovative and entrepreneurial opportunities that promote sustainable food production systems and contribute to economic prosperity in Eswatini and the global community.

Mission

To deliver innovative educational opportunities in Agriculture, Technology, and other academic disciplines, fostering an exceptional learning experience. In collaboration with our stakeholders, we identify critical needs and co-create solutions to address key agricultural challenges. Through active engagement, we discover, develop, and share knowledge, preparing our students to become responsible, successful citizens who will enhance the well-being of our community, region, and the world.

Our Curriculum

We offer the Independent Examination Board International Secondary Certificate (IEB – ISC) from grade 8 to grade 12. Quality-assured by Stellenbosch University and benchmarked by UK ECCTIS, it prepares students for direct entry into South African and international universities. Our curriculum is offered strictly in English, except for siSwati and French. We are fully registered with the Ministry of Education of Eswatini and a member of The Independent Schools Association of Southern Africa (ISASA). Our subjects are as follows:

Application

PROCEDURE

- Grades 8, 9 and 10 applicants write an entrance on dates to be announced by the school. You can book your own entrance test by contacting the school admin. Typically, we do not accept learners into grade 11 and 12.
- After the the entrance test, complete the online form via the link below:
<http://3816.d6plus.co.za/register>
- Within two weeks after filling up the form, an email will be sent to the parents/guardians to confirm the outcome of the application.

ENTRY REQUIREMENTS

- Grade 8: Completed or currently in Grade 7 or Standard 5.
- Grade 9 : Completed or currently in Grade 8 or Form 1
- Grade 10: All applicants that are currently doing IGCSE or EGCSE will be accepted into grade 10.

DISCLAIMER

- Rights of admission are reserved.
- Meeting the requirements doesn't guarantee entrance to the institution.

Hostel

“Home away from home”, in a natural farm environment with lovely views and fresh crisp air, Lusundvu offers a “homely” boarding facility which caters for both boys and girls. Our children have very welcoming boarding staff and access to WiFi, play area, swimming pool and school sporting facilities.
